

I understand that you are proposing to expand LPFM stations to allow them to take priority over current FM Translator service. As a listener of K-LOVE I am asking you to reconsider. My kids now have a radio station with values that they love to listen to. No Eminem, Madonna, Britney, Usher, etc. People all over the country can listen to KLOVE and know there is hope. There are pastors on hand to pray at all times of the day and night. Lives have been changed. People have been saved. It is very rare that a station comes along that lifts your spirit, has family values, and the whole family really enjoys. Please keep KLOVE on the air!
